

September 25, 2015

Dear Parents and Guardians,

On the morning of Wednesday, October 7, the sixth grade team is going on an outdoor field trip to the Brave Boat Headwaters Preserve in Kittery Point that Kittery Land Trust is working to protect. Students will take a nature walk and engage in science, math, history, and writing activities led by teachers and KLT staff. We will travel by bus, and there is no cost for the trip.

Students should wear long pants, socks, sneakers, and bring a light jacket. Additionally, please be sure they bring a lunch, a snack, and a drink. Bring-your-own bug spray is encouraged. School lunches may be ordered by indicating on the form below. Students will return to school to take their regular buses home. Oct 7 is an early release day, and we will be back catch the 1:00 bus home.

The trip is dependent on favorable weather. If the forecast calls for rain, we will cancel the trip. A possible rain date is Thursday, October 8. We are looking for parent volunteers!

Please return the form below to your homeroom teacher by Monday, September 28.

Educationally yours,

Mrs. Roy, Mrs. Casey, Mr. Cady and Mr. Bertrand
